Extra-Wide Medium Weight Duvetyne FR

Extra-wide, light weight single-faced Commando fabric -also known as extra-wide heavy weight Duvetyne-is an economical and versatile flame retardant 100% cotton drapery fabric suitable for affordable curtains for stage and theater, TV and broadcasting studios, recording studios, budget school stage curtains, scenery, photo studios and many other applications. Because of its wide width, often times it can be made into seamless curtain panels.

Cut yardage fabric may be folded to ship via UPS. Full rolls ship via LTL freight. Purchase multiple rolls to reduce freight charges.

Duvetyne meets the minimum requirements of flame resistance established by the California State Fire Marshall for products identified in Section 13115, California Health and Safety Code.
