Weight per linear yard: See weight chart

Weight per square yard: See weight chart

Fiber content: 100% cotton

FR class: FR - Flame Retardant

FR test: NFPA 701 - CAFM Reg # F-48901

Heavy-Weight FR Bleached White Muslin

Flame retardant, extra wide heavy-weight bleached white Muslin fabric -also known as white cotton sheeting- is a plain, tightly woven fabric ideal for theater backdrops, stage cycloramas, theater surrounding, TV studios drops and live production events. Since it is available in wide widths, it can be sewn into seamless backdrops, rendering a clean look without the distortions caused by vertical or horizontal seams.

Although it can be painted, bleached white flame retardant Muslin is recommended for unpainted backdrops. Painted treatments will require special techniques to prevent the FR chemical salts from recrystallizing and leaching to the fabric surface. Extra-wide flame retardant muslin is preshrunk, simplifying sizing.

Cut yardage fabric may be folded to ship via UPS. Full bales ship via LTL freight.

Extra-wide FR natural muslin meets the minimum requirements of flame resistance established by the California State Fire Marshall for products identified in Section 13115, California Health and Safety Code.

Store Hours: Monday – Friday from 8AM – 4:30PM PST
