## Plush, Sound Absorbent Velour

Durable and heavy-weight, woven with a long and dense plush pile from 100% polyester yarns. This resilient fabric absorbs light and sound, so it can be used for room dividing curtains, theater traveler curtains, stage masking curtains, and acoustical decorative drapery. Velour Opera is 100% opaque and it has a matte appearance. Available in 16 vibrant colors. Add elegance to your venue with this modestly priced inherently flame retardant velour.

Stocked in black only. Colors are special order, sold by the full roll only, with an estimated 7-8 week lead time.

Opera Velour meets the minimum requirements of flame resistance established by these tests:

- NFPA 701-2004 TM #1
- City of New York Board of Standards & Appeals. Calendar #294-40 S.R.

Store Hours: Monday – Friday from 8AM – 4:30PM PST
