FR class: IFR - Inherently Flame Retardant

FR test: CAFM Registration Number: F-71201 - NFPA 701 -
Small Scale - CA Administrative Code Title 19 Paragraph
1237.1

Medium Weight Avora™ Polyester

Poly Muslin is a medium weight Avora™ polyester fabric. This synthetic muslin has the weight and look of medium weight cotton muslin without the stiffness. Can be used to make cycloramas and backdrops for spaces with high humidity. Poly Muslin is also a good match for light weight decorative Austrian curtains and swags.

Cut yardage fabric may be folded to ship via UPS. Full rolls ship via LTL freight. Consider purchasing multiple rolls to reduce freight charges.

Poly-Muslin meets the minimum requirements of flame resistance established by these tests:

- NFPA 701 – Small Scale
- CA Administrative Code Title 19 Paragraph 1237.1
- CAFM Registration Number: F-71201

Color charts are intended as a reference only. Fabric colors can vary from their web representation due to standard dye-lot variations and computer screen settings. Cut or special order fabrics cannot be returned. You may wish to order a sample to review material texture and color before ordering.

Store Hours: Monday – Friday from 8AM – 4:30PM PST
